

TEA Central Jira Sync Usage

Now that you have completed the [TEA Central Jira Sync Onboarding](#), you can start pushing the updates from Jira to [TEA Central](#).

Considerations

If you have problems with the sync, please check that all the steps of the [Onboarding](#) were completed.

The execution times happen twice per day:

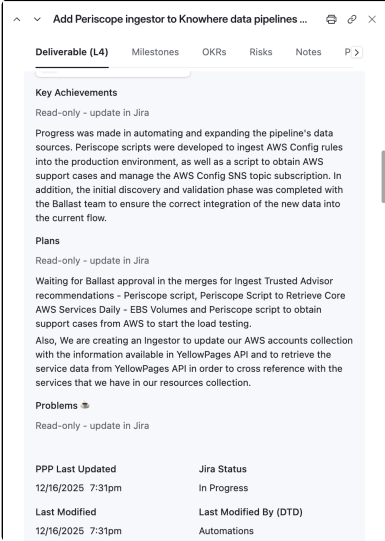

Execution	EST	EDT	PST
First	10 AM	11 AM	1 PM
Second	4 PM	5 PM	7 PM

If your problem persists, ask on the [TEA Central Support](#) channel.

Enable Sync

PPP Fields

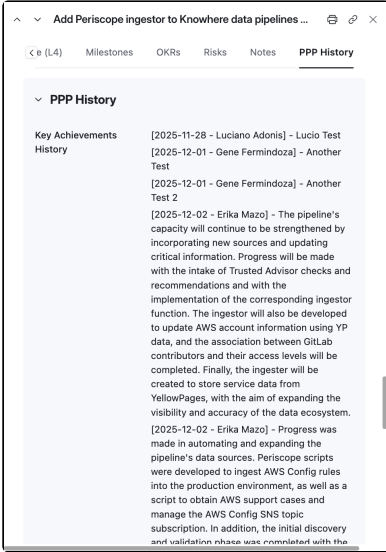

Once Enabled the PPP will appear in the Deliverable (L4) Section:

- Key Achievements.
- Plans.
- Problems.

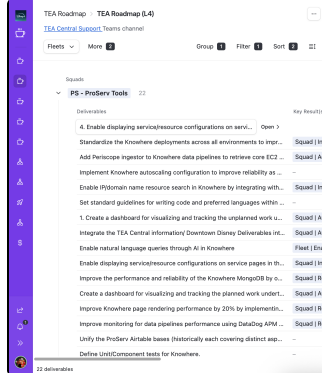

PPP History

The PPP History tab keeps track of the different updates provided on each PPP Field, like this:

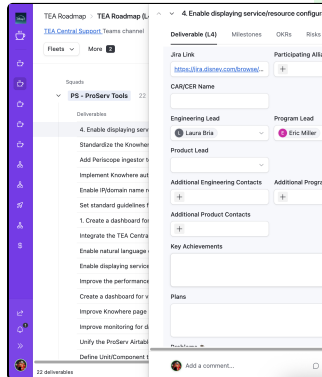

To activate the sync from Jira, do the following:

- Find your Deliverable in the **TEA Roadmap (L4)** page:

- It should look like this:

- Add the Epic in the Jira Link
- And click the checkbox to allow sync from Jira.
